2023 Shareholder Agreement

Community Supported Agriculture consists of a community of individuals who pledge support to a farm operation and share in the risks and benefits of farming, including a poor harvest due to unfavorable weather conditions or pests. Shareholders of the farm pledge in advance to cover the anticipated costs of the farm operation. In return, they receive shares in the farm's bounty throughout the growing season, as well as the satisfaction gained from reconnecting with the land.

Shareholder Commitment: I understand that by becoming a shareholder of the Community Supported Agriculture initiative, I will share both the rewards and the risks of the growing season along with the shareholders and growers. I recognize that there is no guarantee of the exact amount I will receive each week. I agree to comply with all safety measures posted in the distribution area while on the property and any additional policies, rules, or regulations adopted by the farm. It is my responsibility to pick up my share within the scheduled pickup hours. If my share is not picked up, I understand that it will be donated to a local food pantry or other charitable organization.

As a shareholder, I acknowledge that I may be periodically videotaped or photographed at the farm and hereby agree to allow such recordings and images to be used in Seton Harvest marketing materials.
